Professional Profile

A results-driven and highly dedicated Garment Industry Professional with over **18 years of comprehensive experience** spanning retail store operations, warehouse/storeroom management, production factory management, and direct customer service. Proven track record in managing all garment types — from traditional Gulf thobes and abayas to modern ladies' wear and menswear — with an exceptional eye for detail in folding, ironing, tagging, and rack display. A multilingual communicator (Arabic, English, Hindi, Nepali) with deep knowledge of Qatar's retail and garment market, well-equipped to optimize store operations, maintain inventory accuracy, and deliver excellence at every stage of the supply chain.

Work Experience

Founder & Production Manager

2014 – 2026

Own Garment Factory & Retail Shop — Jeetpur(Bara) / Nepal

- Established and fully operated a garment manufacturing factory producing ladies' wear, gents' clothing, traditional attire, and custom designs from concept to finished product.
- Managed end-to-end production workflow including fabric sourcing, cutting, sewing, finishing, quality inspection, pressing, and packaging.
- Led and trained a production team of tailors, cutters, and finishing staff, maintaining high output standards and meeting delivery deadlines consistently.
- Controlled stock and inventory across the factory, own retail shop, and multiple branch outlets; implemented FIFO stock rotation to minimise waste and losses.
- Handled wholesale and retail supply to third-party boutiques and traders, maintaining strong B2B and B2C relationships.
- Managed store layout, visual merchandising, rack display, folding, garment steaming/ironing, and seasonal collection rotation to maximise sales appeal.

- Garment Production & Sewing – On-the-Job Training
Own Factory, 2014 – 2026
(Advanced Practical Experience)
- Retail Operations & Store Management – On-the-Job Training
Souq Waqif Cloth Shop, Doha, Qatar
– 2008 to 2013

- Maintained all purchase orders, delivery notes, stock records, and supplier invoices with full accountability.
- Oversaw cash flow, pricing strategy, and negotiated fabric and accessory supply contracts with vendors.

Store Keeper & Garment Specialist

2008 – 2013

Cloth & Garment Shop — Souq Waqif, Doha, Qatar

- Fully responsible for day-to-day operations of a busy traditional garment shop in Qatar's iconic Souq Waqif, serving a diverse international customer base.
- Managed the storeroom independently: organised all garment types (thobes, abayas, suits, casual wear, fabrics) by category, size, colour, and season for quick retrieval.
- Prepared, folded, ironed, steamed, and arranged garments on display racks with a focus on visual appeal and product presentation standards.
- Provided expert sales advice and product recommendations to customers in Arabic, English and Hindi, resulting in high repeat-customer rates.
- Coordinated with vendors and suppliers for stock replenishment, negotiated purchase prices, and maintained healthy stock levels throughout peak and off-peak seasons.
- Tracked daily stock movement, raised stock shortage alerts, processed incoming shipments, and reconciled inventory records against physical stock.
- Handled POS transactions, daily cash reconciliation, and maintained accurate sales and stock registers.
